We Need Help

The "Interview" you just did – we want to do it with a wide set of diverse stakeholders.

WHAT WOULD I HAVE TO DO?

Complete as many interviews as you are willing to pretty much the same as what you did today.

HOW LONG DOES EACH TAKE?

Typically 30 minutes. However depending on the stakeholder and your dialogue it could be shorter or longer.

WILL YOU PROVIDE RESOURCES & TEACH ME?

Yes! If you sign up to be an Interviewer you will work 1 to 1 with a strategic planning team member on the "what's d how's"

HOW MANY WOULD I HAVE TO COMMIT TO?

1 or 100! We want to hear all voices.

WHAT IS YOUR TIMELINE?

From now until end of February

HOW WOULD I KNOW WHO TO REACH OUT TO?

Who you know and/or a provided set of names

WHO WILL HAVE ACCESS TO THE INFORMATION?

Board, staff, strategic planning advisors

WHY NOT JUST SEND AN ONLINE SURVEY OUT?

We are! But in order to ensure we meet our goal of a wide and diverse stakeholder group we need to widen our approach.

WHAT IF I CAN'T COMMIT TO DOING INTERVIEWS?

You can still help! It would be great to send an email to people whom you know well to invite them to complete the online survey.
